

What is the Midweeker?

At St Jude's we want to help everyone to have a space where they can gather with others, make friends, spend some time with God, and grow in their relationship with Him and each other.

Our Midweeker was normally on a Wednesday morning at 10.30am in our Upper Hall where we had differing types of gathering across each month, though as we come out of Covid times, we will re-start by gathering in the Church where there is more space until further notice. Each week will either be a 'Thought For The Day' where a set Bible passage prompts some thoughts from one of the group that can then lead into prayer. (Have a look at the programme overleaf) Alternatively, we might have a communion service using either the older Book of Common Prayer or a more relaxed setting using the Common Worship style of service.

We always finish with some tea and coffee, cake and biscuits. But we also organise social events regularly when we go out together, normally car sharing after a morning gathering – it might be for some sightseeing, or a lunch or just shopping in Tavistock

Do feel free to join us at any time, you will be made very welcome
