

What is the Midweeker?

At St Jude's we want to help everyone to have a space where they can gather with others, make friends, spend some time with God, and grow in their relationship with Him and each other.

Our Midweeker is on a Wednesday morning at 10.30am where we have differing types of gathering across each month. It could be a 'Thought For The Day' where a set Bible passage prompts some thoughts from one of the group that can then lead into prayer. Alternatively, we might have a communion service using either the older Book of Common Prayer or a more relaxed setting using the Common Worship style of service.

We always finish with some tea and coffee, cake and biscuits. But we also hope to organise social events when we go out together - things like using car sharing after a morning gathering. It could be for some sightseeing, or a lunch or just shopping in Tavistock.

Do feel free to join us at any time, you will be made very welcome.
